APARTMENT 14

## About the Apartments

Aside from the penthouse, the five exclusive apartments each reveal a unique identity of their own. Composed of 2 bedrooms, a living room, kitchen, shower and bathroom, all the facilities in this boutique project have been designed with meticulous attention to detail, meeting the highest standards for both style and quality.

Ideally sized and planned for modern urban living, each residence is a one of a kind architectural conception. Contemporarily designed for both luxury and comfort, the residences utilize open spaces and natural light to create flow and a tranquil home ambience, providing your quiet spot in the busy city.
